

**Newport Harbor Field Hockey 2011  
Booster Club “Help Us Finish Strong” Program**

The 2011 Booster Club wishes to welcome all parents to the 2011 season. Our goal every year is to support NHHS Field Hockey with the best organization and financial means to help the program on and off the field. Please review our “Donation” packages that will benefit our girls throughout the season. We appreciate any contributions you can make that will help us reach our \$10,000.00 goal this year. We have many expenses, so hitting our financial goals are important, so that we can provide the best environment for NHHS Field Hockey and provide the funds to “**Help Us Finish Strong**” again this year.

**2011 Main Field Hockey Expenses**

- Coach’s salaries (the school district only pays for the varsity coach)
- Tournament fees
- Travel expenses
- Goalie Equipment
- Sticks and balls
- Uniform replacements
- Field maintenance

Your time and contributions are greatly appreciated. Anything that you can give helps us keep the Field Hockey tradition alive as one the best programs at NHHS. Through your girls dedication and your support, we have developed an incredible tradition on and off the field. Please help our girls continue this tradition with your time and donations, and “**Help Us Finish Strong**”

Thank you for all your help this season!

NHHS Field Hockey Booster Club

Please make your checks out to: **NHHS Field Hockey Program**

You can donate at the Parents Meeting or if it’s more convenient, you can send your checks to:
