

## **Booster Club “Finish Strong” Fundraising Program Newport Harbor Field Hockey 2012**

The 2012 Booster Club wishes to welcome all parents to the 2012 season. Our goal every year is to support NHHS Field Hockey with the best organizational and financial means to help the program on and off the field. Please review our “Donation” packages that will benefit our girls throughout the season. We appreciate any contributions you can make that will help us reach our \$11,000.00 annual fundraising goal this year.

We have many expenses that we need to cover in order for us to meet financial obligations in 2012, so hitting our financial goals are important. No amount donated is too small. We appreciate any and all contributions that you can make. We want to be able to provide the best environment for NHHS Field Hockey and provide the funds to “**Finish Strong**” again this year.

### **2012 Main Field Hockey Expenses**

- Coach’s salaries (the school district only pays for the varsity coach)
- Tournament fees
- Travel expenses
- Goalie Equipment
- Sticks and balls
- Uniform replacements
- Field maintenance
- Equipment maintenance

Your time and contributions are greatly appreciated. Anything that you can contribute, helps keep the Field Hockey tradition alive as one the best programs at NHHS. Through your girl’s dedication and your support, we have developed an incredible tradition on and off the field. Please help our girls continue this tradition with your time and donations

**Thank you for all your help this season!**

NHHS Field Hockey Booster Club

Please make your checks out to: **NHHS Field Hockey Boosters**

You can donate at the Parents Meeting, at the Parent’s Party, or anytime during the season. If it’s more convenient, you can send your checks to:
