Online Athletic Clearance FAQ

Multiple Sports

Once you complete a clearance for one sport and arrive at the Confirmation Message, you will have the option to check off additional sports for the current school year.

Physicals

The physical form must be filled out and stamped by a doctor, and brought to the Athletic Office before athletes can participate in any sport.

Future Clearance

Once you have completed the clearance process your student/athletes information will be saved and moved forward yearly. The only thing that will need to be renewed is the physical form and insurance card upload.

To roll over last year's physical

If you use the same account and you uploaded the physical last year you can use the same file. You will start a new clearance and when you get to the Upload page, choose the file from the "Document Library" and attach it to 18-19 clearance.
